Houston Siamese Rescue was able to rescue and save this beautiful Seal Point Siamese kitten with severe glaucoma. She has been blind from birth and both of her eyes had to be removed. Had we not had a foster home for her, Siamese Rescue would not have been able to save her.

PLEASE CONSIDER BECOMING A SIAMESE RESCUE VOLUNTEER OR FOSTER FAMILY

This was Tiffany before. She was in a lot of pain and in danger of an infection that would have killed her .

Help *Siamese Rescue* save more cats like Tiffany. Please volunteer.
